

Zoom Meeting Agreement

(Updated at afternoon tea 13.5.24)

To make our online groups enjoyable for everyone please also keep to the following:

Turn off background noise such as televisions and radios before joining us

Everyone needs to be dressed – no bare chests!

Phones not being used to Zoom should be on silent.

Please leave the group or switch video and microphone off if you need to answer a phone call or text/whatsapp message and join us again when you have finished.

Make a hand signal or wave something colourful to let us know you would like to speak next or use the reaction button (raise hand).

Try not to talk over one another. Take it in turns to speak.

No swearing and no arguments. Be kind.

Please save very personal issues for 1-1 catch up with staff. Let us know if you need to talk.

Show respect for one another at all times
